### Descrição

HiPay is a global payment platform. At HiPay, we believe payment is about more than transactions. Thanks to a unique, agile platform, we enable merchants to get more from their payment data, across all sales channels. Boost conversion rates, increase revenue and discover new opportunities. We work closely with our merchants to increase their revenue by improving their success rate and avoiding risk. 360-degree customer data analysis gives us insight into the right payment methods for a merchant's needs.
